

FLASH DASH

HOW TO MINT

TO WIN FLASHDASH NFTS,
VISIT THE FLASHDASH NFT MARKET HOMEPAGE

CHOOSE A WALLET

You'll need a wallet to mint Flashdash NFTs.
You can connect and use your existing wallet or create a new MetaMask wallet if you don't have one.

SET UP YOUR WALLET

If you have zkSync Era ETH in your wallet, you can start minting right away.
Otherwise, you can send your ETH to zkSync Era via Bridge and then use it.
If you don't have ETH, you can purchase and use zkSync Era ETH.

CONNECTING YOUR WALLET

Click [CONNECT WALLET] to select and connect your wallet

MINTING

Start minting your first Flashdash NFTs
The ETH you purchased or sent earlier will be spent on gas fee.

Buy TOKEN? Lmao

HOW TO MINT

TO WIN FLASHDASH NFTS,
VISIT THE FLASHDASH NFT MARKET HOMEPAGE

Make sure you have
zkSync Era ETH.
Otherwise minting
won't be possible

If you don't have
zkSync Era ETH,
you can use a **bridge**
to transfer or
withdrawal
from exchange

Connect Wallet and
Change to zkSync Era
network

Prepare Meta Mask

Pay gas fee and
choose NFT
Free minting or buy
Premium NFT

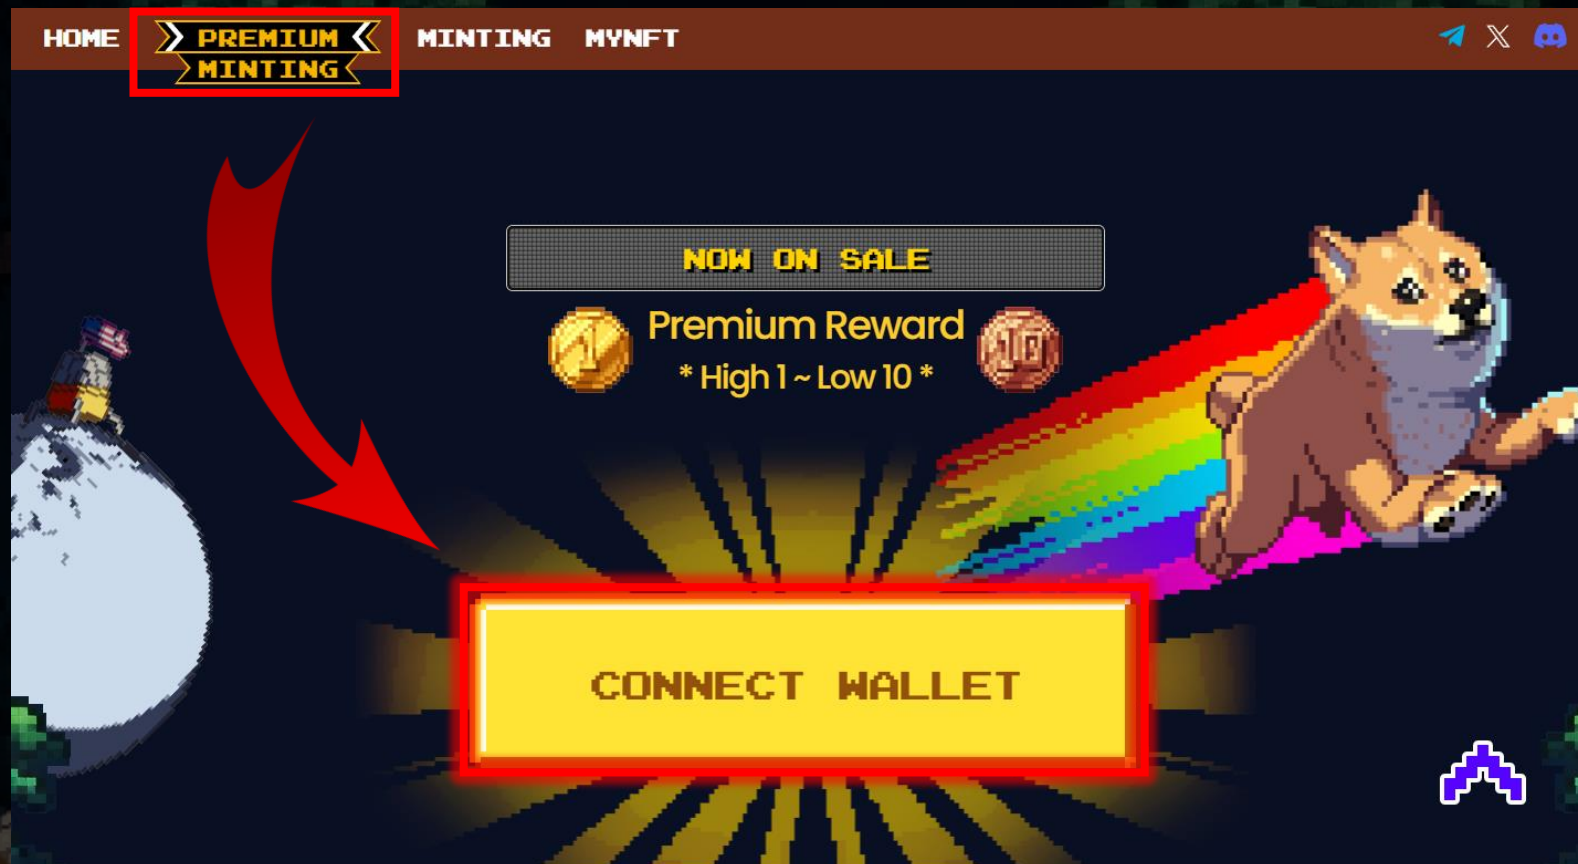

FREE NFT MINTING

- To mint Free NFT, click MINTING on the top tab
- Free NFT can be purchased at any time, but minting is not possible if it's Sold Out.

PREMIUM NFT MINTING

- To purchase Premium NFT, click **P. MINTING** on the top tab
- Premium NFTs have different minting amounts depending on when they are sold
- The faster you purchase, the cheaper it is (discount promotions are also an important point)

NFT INFORMATION

- Free NFT : Airdrop
- Premium NFT : Bonus Coin + Airdrop

FREE NFT

Why So Serious?

Buy TOKEN? Lmao

This icon indicates whether or not you have received Airdrop rewards according to your ranking. If you've already received your Airdrop reward, the corresponding icon is not visible.

PREMIUM NFT

Hey you.

You're finally awake.

This icon indicates the tier of Premium NFT. Tiers range from 1 to 10, with 1 being the highest and 10 being the lowest.

* Tiers are only available for Premium NFTs.

NFT VERIFICATION AND MANAGEMENT

- Minted NFT can be checked in MY NFT
- The NFT's Care function is activated every 2 hours, and points are earned through Care transactions.

NFT CARE SYSTEM

- Activates every 2 hours
- Put them to sleep when they are hungry, give them food when they are hungry, and play with them when they are bored. You can perform these actions through transactions.

- NFT CARE can be done every 2 hours.
- You can perform CARE transaction through MY NFT tab.

This is the NFT's unique number. You can change your nickname by paying a certain amount.

* A nickname can contain up to 16 characters, including letters and numbers.

This is information about points obtained by performing an NFT care transaction.

Information on the ranking and top % of points held.

This information displays the current status of the NFT. There are 3 states in total, and Care action is required depending on the state.

This is an action button based on the current state of the NFT. You can choose the action that suits NFT needs.

* +3 points for correct action / +1 point for other actions

NFT

The FlashDash NFT minting schedule and details are as follows.

Total Supply	33,285 (16,869 Free, / 16,416 Premium)
Dev & Marketing	4,269 (1,974 Free, 2,295 Premium)
Public	29,016 (14,895 Free, 14,121 Premium)

NFT is essentially Freemint.

Free NFT minting is always available for purchase. However, if it sold out, the selling period has ended.

You need to get it before everyone else does. Hurry up!

Don't forget that it's a competitive Freemint.

However, with premium NFTs things are a little different. Premium NFTs have different prices depending on the grade. Additionally, the number of NFTs for sale will also vary. Naturally, the sooner you buy it, the cheaper it is. There will also be hidden events happening, so don't miss this great opportunity!

COIN

A total of 690,420,420,420,690 Flashdash Coins will be issued.
They will be issued in Q4 2023 and distributed as follows.

Distribution	Percentage	Number
Liquidity Pool	88.79%	613,024,291,291,531
Paid NFT	3.42%	23,612,378,378,387
Airdrop	3.69%	25,476,513,513,524
Marketing	4.1%	28,307,237,237,248
Total	100%	690,420,420,420,690

Liquidity Pool - The amount used to provide liquidity.

Paid NFTs - NFTs stacked with the pre-sale supply of Flashdash Coin that will be issued in Q4 2023.

Airdrop - The amount of NFTs that will be airdropped to all holders.

This is a tiered distribution based on caretaker ranking.

Marketing - This amount will be paid to those who will enthusiastically support the Flashdash project in the future.

COIN AIRDROP

Flashdash Coin is scheduled to be issued in the 4th quarter, and a certain amount will be airdropped to holders with Flashdash NFTs. Flashdash Coins will be distributed according to the NFT's point ranking at the time of Airdrop.

If you have multiple NFTs in one wallet, Flashdash Coins are paid based on each NFT. 50% of the payment is equally distributed to all participating NFTs, and the remaining 50% is distributed differentially according to the sections. The payment criteria are as follows.

Sections (top)	Total Payout Percentage
1%	2.5%
3%	4.8%
5%	4.5%
10%	9.0%
20%	16.0%
40%	27.0%
60%	19.0%
80%	12.0%
100%	5.2%

PREMIUM NFT BONUS COIN

When the Premium NFT feature is open, you can purchase NFTs by paying ~~0.02~~ → 0.01 ETH.

Premium NFT provides future NFT holders with the opportunity to earn Flashdash COINs.

The Tier of Premium NFTs is assigned randomly upon purchase,
and the number of COINs you can obtain depends on the Tier.

The number of COINs you can get by Tier is as follows

Tier	COIN
1	8,595,696,533
2	4,942,525,506
3	3,187,134,784
4	2,263,628,611
5	1,717,829,985
6	1,502,414,680
7	1,359,603,573
8	1,173,790,891
9	944,662,598
10	877,325,594

COIN CLAIM

If you have a Flashdash NFT, you're eligible to claim Flashdash COIN.

The type of CLAIM available varies depending on the NFT you own.

Upon making a CLAIM, the icon image (TIER or RANKING) on the NFT will be automatically removed.

For NFTs featuring an icon image, CLAIM is available.

And if NFT is lacking an icon it means that it has already received CLAIM and is ineligible for further CLAIMS.

**Please note that each category permits only one CLAIM.*

Additionally, once the CLAIM process is started, the Flashdash CARE service, which we have been diligently managing, will be terminated.

**The CLAIM is scheduled to be open in the 4Q.*

PREMIUM NFT : TIER, RANKING CLAIM

FREE NFT : RANKING CLAIM

TRANSACTION

As transactions accumulate, the number of airdrops awarded increases!

Transaction

Air Drop

GAME

Game is under development and will be opened sequentially according to the plan.

You can play the game using Flashdash Coin, which also uses a transaction. Considering Airdrop for both ZK Sync Era and Flashdash Coin, activation of a transaction is very important.

Activate Transactions for Profit.

COMMING SOON...

Buy TOKEN? Lmao

RISKS

Purchasing Flashdash Coin involves an element of risk, and you may lose a significant or all of your prepaid principal. You should diligently and thoroughly evaluate and consider the risks identified herein, as well as other risks not contained or foreseen herein, prior to purchasing Flashdash Coin.

Purchase Flashdash Coin only if you fully understand the Flashdash Coin supply and demand and the COIN economics of the Flashdash Coin economy. Cryptographic assets may be subject to expropriation and/or theft. Computer hackers or other malicious groups or organizations may attempt to tamper with the Flashdash platform in a variety of ways. This may include malware attacks, distributed denial of service attacks and consensus-based attacks such as 51% attacks which may result in loss of Flashdash Coins or loss of ability to access Flashdash Coins.

Due to the immutability of blockchain transactions, there may be no solution if a malicious actor successfully attacks the Ethereum chain on which the Flashdash platform is built. Crypto assets are not regulated as financial instruments and there are no refunds or reimbursements available from regulators such as the UK's Financial Services Compensation Scheme and similar bodies in other jurisdictions. The regulatory landscape of crypto assets is still fluid and varies from jurisdiction to jurisdiction, presenting a level of legal uncertainty for owners of crypto assets. In the future, certain laws, regulations, or laws relating to crypto assets, blockchain technology, or decentralized applications that affect or limit a COIN holder's acquisition, ownership, and ability to buy, sell, convert, or use cryptoassets, such as Flashdash Coin. A policy or rule may be implemented.

RISKS

Due to uncertainties related to tax laws relating to crypto assets, COIN holders may be retroactively or future subject to unforeseen consequences such as taxable events.

Prospective Flashdash Coin purchasers should weigh their own risk appetite and consider consulting an independent financial advisor before making a decision. Readers of this White Paper should also consult with tax professionals, accountants, attorneys, or other professionals on any outstanding issues relating to the design and operation of the Flashdash platform before deciding whether purchasing Flashdash Coins is consistent with their risk profile.

Cryptocurrency may be deregulated in your jurisdiction. The value of cryptocurrencies can go up as well as go down. Earnings may be subject to capital gains or other taxes applicable in your jurisdiction.
